Det. Rhoden: [REDACTED] Alright. And this is your address where you're living right now. And you attend TCU right now, correct?

C. Betzler: Yes.

Det. Rhoden: How far along are ya?

C. Betzler: I'm a junior.

Det. Rhoden: Junior?

C. Betzler: Yeah.

Det. Rhoden: Good deal. Okay. And the telephone number that we spoke on is a good number for you, but give it to me again, please.

C. Betzler: [REDACTED]

Det. Rhoden: [REDACTED]. Okay. Carly, before I, I turned the recording on, I kind of explained to you a little bit about what we wanna do today. Um, and I wanna start with going through everything that happened leading up to involving and then after your attendance at the concert.

C. Betzler: Mhm.

Det. Rhoden: Okay. So I know that a lot of people and I assume yourself, you were one of them that, you couldn't really get a lot of medical treatment because there was so much stuff going on.

C. Betzler: Right.

Det. Rhoden: So you wound up coming back here to actually get treated.

C. Betzler: Yeah.

Det. Rhoden: Explain to me how you wound up in Las Vegas in the first place. Did you go there specifically for the concert?

C. Betzler: For the concert.

Det. Rhoden: For the concert?

C. Betzler: We've gone like every year for the past 3 years.

Det. Rhoden: Okay.

C. Betzler: So we went. I meet my mom there from California and so then we always meet there.

Det. Rhoden: Okay. Okay. And I guess Emma went with you?

C. Betzler: Mhm.

Det. Rhoden: Did anybody else go with you?

C. Betzler: No.

Det. Rhoden: Okay. And Emma is uh, uh, the Officers at TCU had a idea who Emma was, but they weren't, is last name Simon?

C. Betzler: Yeah.

Det. Rhoden: Is that correct?

C. Betzler: Mhm.

Det. Rhoden: Okay. So they had kinda figured out who Emma was. Um, so did you actually go, you said you met your mom in Las Vegas. You didn't go to California and then come?

C. Betzler: No.

Det. Rhoden: You went straight to Las Vegas?

C. Betzler: I met my mom in Las Vegas.

Det. Rhoden: Okay. So did you drive or fly?

C. Betzler: Flew.

Det. Rhoden: Okay. So you flew from DFW to McCarran or did you go out of-

C. Betzler: From Leftfield.

Det. Rhoden: Leftfield?

C. Betzler: To McCarran. Yeah.

Det. Rhoden: To McCarran? Okay. Where did you stay at while you were there?

C. Betzler: Uh, the MGM.

Det. Rhoden: At the MGM?

C. Betzler: Signature, yeah.

Det. Rhoden: The MGM Signature?

C. Betzler: Mhm.

Det. Rhoden: Alright. And so uh, Sunday was the day of the concert?

C. Betzler: Mhm.

Det. Rhoden: And so I'm assuming you just walked since you were at the MGM?

C. Betzler: Well, it was all 3 days. So Friday, Saturday, Sunday.

Det. Rhoden: Oh, was it a 3 day? I'm sorry. I've never been so I don't-

C. Betzler: Yeah.

Det. Rhoden: Know. Okay.

C. Betzler: Um, so we flew in um, Thursday night. I flew in and she flew in like a few hours after me.

Det. Rhoden: She? You mean Emma?

C. Betzler: Emma. Yeah.

Det. Rhoden: Emma. Okay.

C. Betzler: Uh huh. And then so we, my mom and I and Emma, we went to the concert Friday and Saturday and then Sunday.

Det. Rhoden: Okay. Alright. So you got to see most of it.

C. Betzler: Yeah.

Det. Rhoden: Okay. Alright. So Sunday when you, well, let me back up a little bit. The other two days of the concert, was there anything unusual? Anything that struck your, you know-

C. Betzler: Nuh uh.

Det. Rhoden: Attention or anything like that?

C. Betzler: No. Nuh uh.

Det. Rhoden: Okay. Um, no unusual police activity or uh, no people running around acting crazier than they would-

C. Betzler: Mhm. No.

Det. Rhoden: At a concert I guess?

C. Betzler: Nuh uh.

Det. Rhoden: So nothing that really-

C. Betzler: No.

Det. Rhoden: Okay. Drew your attention? Out of the ordinary?

C. Betzler: No.

Det. Rhoden: Um, so Sunday, you're in the concert-

C. Betzler: Mhm.

Det. Rhoden: Now I, I, I've just seen obviously like everyone else has, pictures on TV, but I actually have a daughter that lives out there in Las Vegas-

C. Betzler: Mhm.

Det. Rhoden: So I kinda know the area a little bit.

C. Betzler: Mhm.

Det. Rhoden: I know that there's that big field and it's kinda across from-

C. Betzler: Luxor.

Det. Rhoden: The Luxor and Mandalay and it's across the strip there. That big kinda-

C. Betzler: Yeah.

Det. Rhoden: Dirt area-

C. Betzler: Mhm.

Det. Rhoden: There and so I know how it's laid out a little bit-

C. Betzler: Mhm.

Det. Rhoden: But um, where was the stage located at? Was it like up towards the strip or was it-

C. Betzler: So like-

Det. Rhoden: Towards the airport or?

**VOLUNTARY STATEMENT  
(Continuation)**

Statement Of: **CARLY BETZLER**

Event #: 171001-3519

---

C. Betzler: Towards the hm, I would say towards the airport. I'm not like positive. I don't know like the geography, but um, it's like the stage is facing perpendicular to Las Vegas Blvd. So like if you're facing-

Det. Rhoden: Okay.

C. Betzler: The stage and you look to the right you see Mandalay Bay and um, the Luxor.

Det. Rhoden: Okay. Okay.

C. Betzler: To the side. Yeah.

Det. Rhoden: That makes perfect sense to me. Okay. So the stage is perpendicular to the Las Vegas Blvd.

C. Betzler: Mhm.

Det. Rhoden: And if you're looking at it to your right is Luxor and-

C. Betzler: The hotels.

Det. Rhoden: Mandalay Bay and such is that.

C. Betzler: Yes.

Det. Rhoden: So where are you at when everything starts to kinda happen?

C. Betzler: So we, Emma and I were standing like middle of the stage, about like 20 people back during the concert.

Det. Rhoden: Okay. So you were pretty close.

C. Betzler: Yeah.

Det. Rhoden: Okay.

C. Betzler: And so she, we had been there for the previous set and during the break and we're standing there. And like I don't know how many songs into Jason Aldean it was that like, the person who was singing when it happened, but she turns to me and she's like, "I, I need to go to the bathroom." And I was like, "Really?" Like, "Right in the middle of a concert you're gonna make us walk to the bathroom?" Like, "Come on. Can't you wait?" And she's like, "No, I can't wait." And so we turn and we start walking like so back to the stage and then to the right. So away from-

Det. Rhoden: The strip?

C. Betzler: Away from the strip.

**VOLUNTARY STATEMENT  
(Continuation)**

Statement Of: **CARLY BETZLER**

Event #: 171001-3519

Det. Rhoden: Away from Las Vegas Blvd?

C. Betzler: Yeah.

Det. Rhoden: So kind of you're walking away from the stage and to your right which is-

C. Betzler: Yeah.

Det. Rhoden: Moving you away from, kinda towards the airport and away from the boulevard?

C. Betzler: The, yes. Yes.

Det. Rhoden: Okay.

C. Betzler: And so we're and then we randomly pass my mom. And we're like, "Oh, hey." And I was like, "Oh, Emma has to go to the bathroom." Like so annoying. And then literally 5 steps after we pass her, like we hear the gunshots start. And I literally just grabbed Emma and we just ran and like right there towards the right side there by where the bathrooms were, there was an exit. And so we just like ran out of there and as we were running like I felt something hit my foot and I was like, "Emma. My foot! My foot! I can't run." And then she was like, "I know. My leg. Like just keep running." And so we ran out that exit and like I don't even know how far. Like we were just in a crowd going wherever we could and like we couldn't like know which way the gunfire was coming from or like if they were in the concert or like if we were running towards them. And so we just like ran perpendicular to the Las Vegas Blvd. Like just away. Like down past like a Motel 6. We were in the Motel 6 for a little bit and then ran across the street and then made our way like back to MGM. Like through the parking garage between like the cement wall and cars. Like running through there.

Det. Rhoden: Okay.

C. Betzler: And then like into the, but at that point like MGM had been like nobody in, nobody out.

Det. Rhoden: Mhm.

C. Betzler: But like I think the way we went in like through the parking garage, we had to go underground and then come back in so like we got in. And then just ran back to our hotel room.

Det. Rhoden: Okay. So and you gave me a lot of information right there and I just wanna walk back through it real slow and make sure I-

C. Betzler: Mhm.

Det. Rhoden: Kinda understand.

C. Betzler: Yeah.

Det. Rhoden: So you were, you and Emma were headed towards the bathroom.

C. Betzler: Mhm.

Det. Rhoden: You ran into your mom.

C. Betzler: Yeah.

Det. Rhoden: Okay. How close can you guess were you to where the bathrooms were? Was, were you farther than from here to the street or do you think it was-

C. Betzler: I would say like the houses across the street.

Det. Rhoden: Okay. So you were probably, you know, 50-60 feet from 'em?

C. Betzler: Mhm.

Det. Rhoden: Something like that?

C. Betzler: Yeah.

Det. Rhoden: Okay. So you're headed towards the bathrooms and the bathrooms, I guess, the back, what were they? Like porta-potties?

C. Betzler: Yeah.

Det. Rhoden: Is that what they were?

C. Betzler: Mhm.

Det. Rhoden: Were the backs of the porta-potties facing the boulevard?

C. Betzler: Yes.

Det. Rhoden: And the doors were facing inside the, the area?

C. Betzler: Yeah, but it's like 2 rows. So like the doors of the porta-potties face each other, but like this row, the backs face the boulevard.

Det. Rhoden: Okay. Well, now. Well, now hold on. Let me back up just a second. That's why I asked this question. When you say you turned, you were watching the concert. Emma says she's gotta go to the bathroom. You turn your back to the stage and you're walking-

C. Betzler: Mhm.

Det. Rhoden: And you said that when you were walking away from the stage-

C. Betzler: Mhm.

Det. Rhoden: That you were kinda going to your right a little bit that was taking you away from the boulevard.

C. Betzler: Away from Las Vegas Blvd.

Det. Rhoden: Right.

C. Betzler: Yeah.

Det. Rhoden: So the, so the, but so the bathrooms were on the opposite side-

C. Betzler: Yeah.

Det. Rhoden: From the boulevard? Okay. So the exit that you went out didn't go back to the boulevard-

C. Betzler: No.

Det. Rhoden: It went out behind the-

C. Betzler: A different, I'm, a different boulevard I guess is what I'm saying.

Det. Rhoden: Okay. A different street?

C. Betzler: Yeah.

Det. Rhoden: Okay. That-

C. Betzler: Yeah, yeah.

Det. Rhoden: I just wanted to make sure I had-

C. Betzler: Yeah.

Det. Rhoden: My head wrapped around it-

C. Betzler: Yeah.

Det. Rhoden: So I could understand. So you went out to the street that was behind the venue basically?

C. Betzler: Yeah.

Det. Rhoden: The other side of the venue from Las-

C. Betzler: The Las Vegas strip.

Det. Rhoden: The main boulevard.

C. Betzler: Yeah.

Det. Rhoden: Okay. Um, so as soon as the gunfire starts, you don't know where it's coming from-

C. Betzler: No.

Det. Rhoden: You just hear gunfire?

C. Betzler: We all thought it was like someone in the venue just like spinning in circles just like shooting.

Det. Rhoden: Okay.

C. Betzler: So-

Det. Rhoden: Well, let me ask you this question. Um, have you ever fired a gun?

C. Betzler: Yeah.

Det. Rhoden: Shot a gun? Anything like that?

C. Betzler: Mhm.

Det. Rhoden: Okay. So you kinda know what a, how loud a gun is and things-

C. Betzler: Yeah.

Det. Rhoden: Of that nature. So it sounded pretty loud? You thought it was pretty close by?

C. Betzler: Yeah. I mean-

Det. Rhoden: Okay.

C. Betzler: Like my dad's retired from the Sheriff's Department and so like we like when, 'cause a lot of people thought like it was um, like fireworks or like part of the show-

Det. Rhoden: Mhm.

C. Betzler: Or something, but I feel like, like literally when I've heard it, like I've heard an automatic rifle go off.

Det. Rhoden: Mhm.

C. Betzler: And like, like I literally just grabbed Emma and like we just started running.

Det. Rhoden: Okay. And then I, you just commented that it sounded like an automatic rifle?

C. Betzler: Yes.

Det. Rhoden: So it was real rapid fire?

C. Betzler: Rapid.

Det. Rhoden: Rapid succession?

C. Betzler: Yeah.

Det. Rhoden: Just a guess. How long do you think from the time you realized that shots were going off until the last one?

C. Betzler: I mean, like-

Det. Rhoden: And I know that time it's like 30 minutes seems like 10 seconds-

C. Betzler: Right.

Det. Rhoden: Or 10 seconds seems like 30 minutes-

C. Betzler: Right.

Det. Rhoden: So I know it's hard to say-

C. Betzler: I mean, right.

Det. Rhoden: But was-

C. Betzler: We had-

Det. Rhoden: Was he still shooting when you made it back to the MGM? Were you-

C. Betzler: Not to the MGM.

Det. Rhoden: Okay.

C. Betzler: But he was still shooting like we had gone two blocks away from the strip and then one block towards MGM. So like that amount of time, I mean, I would guess like I have no idea.

Det. Rhoden: Well, no, no.

C. Betzler: In that moment-

Det. Rhoden: Okay. Well, I'm sorry. I didn't mean to put you on the spot there.

C. Betzler: Yeah.

Det. Rhoden: It's just the way you described it is good for me.

C. Betzler: Right.

Det. Rhoden: It, the, that you said you made it about two blocks away and that's moving with a big crowd of people-

C. Betzler: Right.

Det. Rhoden: So you're not running full speed flat out.

C. Betzler: No.

Det. Rhoden: You're having to fight your way through the crowd.

C. Betzler: Yeah.

Det. Rhoden: So you got two blocks-

C. Betzler: And that's like us getting through fences 'cause that whole venue was like-

Det. Rhoden: Sure.

C. Betzler: Blocked off so people pushing through fences, push, people pushing through like that Motel there 'cause it was like where it's like a two-story motel, but it's outside. You know? Like it's not a closed hotel where you go in through a door. Like-

Det. Rhoden: Mhm.

C. Betzler: The doors are outside and so everyone's running through there to try to like make sure they're covered and so it's like stopped in there. And then like getting across the street too, cars are just like everyone's honking. Everyone's just trying to get away. So if I had to guess though, I would say like between 5 and 10 minutes.

Det. Rhoden: Okay.

C. Betzler: Until the gunfire stopped.

Det. Rhoden: So and I'm not even gonna ask you how many shots you think might've been fired-

C. Betzler: Mhm.

Det. Rhoden: 'Cause you said that it was pretty fast. Was it like-

C. Betzler: really fast.

Det. Rhoden: Boom, boom, boom, boom, boom for the most part?

C. Betzler: Yeah, for the, and constantly.

• Det. Rhoden: Okay. •

C. Betzler: Like the whole time we were running like that I, if there were breaks like it was maybe a few seconds.

• Det. Rhoden: Okay. •

C. Betzler: Like it was, it was never like, like a period of time where like there was a break and then like you heard it again. Like we just-

Det. Rhoden: Okay. So now I know that you and Emma went together to the concert and your mom was there. Any other friends or anybody?

C. Betzler: My mom was with her fiancé.

Det. Rhoden: Okay. So now are they running with y'all?

C. Betzler: No.

Det. Rhoden: Headed back to the-

C. Betzler: No.

Det. Rhoden: Okay. So you and Emma make it two blocks away from, going away from Las Vegas Blvd-

C. Betzler: Yeah.

Det. Rhoden: From the venue.

C. Betzler: Mhm.

Det. Rhoden: And then you kinda turn back and head towards the MGM.

C. Betzler: Yeah.

Det. Rhoden: You said you stayed in a Motel 6 for a few minutes? Was-

C. Betzler: Yeah.

Det. Rhoden: Was it like-

C. Betzler: That everyone kinda stopped real quick and was like, "What's going on?"

Det. Rhoden: Okay.

C. Betzler: Like looked around and made sure this was like real life.

Det. Rhoden: Okay. And then you made your way back to the MGM. You were able to get into the parking garage.

C. Betzler: Mhm.

Det. Rhoden: And then go in and back up to your room.

C. Betzler: We went up, we went, we saw the parking garage and went up and floor and then like from there ran towards the hotel and then like the way MGM's set up like we had to go through the MGM Hotel-

Det. Rhoden: Mhm.

C. Betzler: To get to like the Signature like-

Det. Rhoden: Right.

C. Betzler: Condos.

Det. Rhoden: Okay. Now you'd, the way you described it earlier, you were running and you felt the pain in your foot.

C. Betzler: Mhm.

Det. Rhoden: Now was that before you actually got out of the main venue?

C. Betzler: Yeah.

Det. Rhoden: Okay. So you were still inside where the actual concert was taking place?

C. Betzler: Yeah.

Det. Rhoden: When you, you felt the pain?

C. Betzler: Yeah, like I could see the porta-potty that I was like running towards like when I felt something hit my foot.

Det. Rhoden: Okay. And at what point did you actually stop and check and inspect your foot?

C. Betzler: I didn't.

Det. Rhoden: Okay. So-

C. Betzler: Until we got back to the hotel room.

Det. Rhoden: Okay. And that's perfectly normally. Alright. Um, so when you got back to the hotel room, it's you and Emma in, in your room?

C. Betzler: Mhm.

Det. Rhoden: Okay. Um, what was the first thing that you did once you got back to the room?

C. Betzler: Well, we got back and my mom and her fiancé were there so were there, 'cause they were behind us.

Det. Rhoden: Okay.

C. Betzler: And so like we, I, I couldn't get ahold of them while we were running and so like first we saw them and we were like, "Oh my gosh. Like what happened?" And then they had brought back another girl who like got separated from her group. So they just grabbed her while we were running and like brought her back to our hotel room and then I took off my boot and like I, at that point I was like so much adrenaline. I was like, "Oh my gosh." And so I took off my boot and like my whole sock was like soaked in blood and so then we just sat down and like my mom's fiancé like gave us ice and water and like we all just like sat there and cried. Like-

Det. Rhoden: Okay. Did anyone in your group uh, call 911 or anything like that?

C. Betzler: No.

Det. Rhoden: Okay. Um, what, let's talk about your boot for a second. Did you see a hole in it when you first started looking-

C. Betzler: Yeah.

Det. Rhoden: At it?

C. Betzler: Mhm.

Det. Rhoden: Where was the hole at in your boot? Was it in the top? Was it in the side?

C. Betzler: In the sole.

Det. Rhoden: In the sole?

C. Betzler: Mhm.

Det. Rhoden: Okay. So did it go all the way through?

Det. Rhoden: The boot? Did it come out the top leather or-

Det. Rhoden: Was it just in the bottom?

C. Betzler: Just in the bottom.

Det. Rhoden: Okay. So it was just in the bottom.

C. Betzler: Uh huh.

Det. Rhoden: Okay. Um, what did you do with that boot? Do you still have it or is-

C. Betzler: Yeah.

Det. Rhoden: Okay. Um, now I know you didn't seek medical treatment there.

C. Betzler: Mhm.

Det. Rhoden: But could you see what kind of injury, what, describe the injury on your foot for me?

C. Betzler: Um, it's like the bottom of my toe is like a gash like-

Det. Rhoden: About an inch?

C. Betzler: That big, yeah. And it's like-

Det. Rhoden: Okay. Is it your big toe?

C. Betzler: Yeah.

Det. Rhoden: Okay.

C. Betzler: And so it's like, it was like split open and then like 'cause when I took off my sock, all my toes were bloody, but it, and then I like rinsed it off and it was just that. And it was just like that toe had split open.

Det. Rhoden: Okay. I know in speaking with the Detectives in Las Vegas.

C. Betzler: Mhm.

Det. Rhoden: That you, they talked about this little piece of uh-

Det. Rhoden: Shrapnel, basically, that you had found. Was that actually removed from your foot or was it something that you found in your boot or in your sock?

C. Betzler: In my boot. Like, like in my boot under my s-, like between my sock and my boot.

Det. Rhoden: Okay. So it was, so they didn't actually, that's not something that they actually removed out of your body?

C. Betzler: No.

Det. Rhoden: That's something that you found in your boot?

C. Betzler: Yes.

Det. Rhoden: Okay. So you're there in the room, take a breath, realize I have to check on my foot.

C. Betzler: Mhm.

Det. Rhoden: Because I have this pain. You pull your boot off. You see all the blood.

C. Betzler: Mhm.

Det. Rhoden: At what point did you find that little piece of metal?

C. Betzler: Um, I didn't. Just like I just sat on the couch and then my mom's fiancé, Justin, grabbed my boot and he like was looking at it and looking at the hole in the bottom and then like-

Det. Rhoden: And then found-

C. Betzler: Found the little piece.

Det. Rhoden: The piece? Okay.

C. Betzler: Yeah.

Det. Rhoden: Okay. Um, so now we're back to the room. Okay. And you've got mom and Justin and Emma and this other person that we don't know-

C. Betzler: Yeah.

Det. Rhoden: That you just, somebody that y'all helped out.

C. Betzler: Yeah.

Det. Rhoden: Okay.

C. Betzler: That morning.

Det. Rhoden: So now we kinda move into Monday morning.

C. Betzler: Mhm.

Det. Rhoden: Okay. So y'all are still there. What day did you come back? Was it yesterday or today or?

C. Betzler: Yesterday. So she was supposed to leave um, for, she was supposed to leave the concert at 10:30 to get to the airport 'cause her flight was at 1 am.

Det. Rhoden: Oh, wow. Okay.

C. Betzler: To get back to class Monday and so were like thank God she didn't leave 'cause I would've been by myself, but and then I was supposed to leave at 8 am that Monday morning. And then so that night like hours later, we're still sitting there and I like my mom went and changed our flights and so we flew back, we flew back together yesterday at 3. So we landed here at like 8 and then went straight to the hospital on our way home.

Det. Rhoden: Okay. Um, so what did you do from the time that you got back to the room to the time that you left to go to the airport? Did y'all go anywhere else?

C. Betzler: No.

Det. Rhoden: Talk to anybody?

C. Betzler: No.

Det. Rhoden: Anything like that?

C. Betzler: No.

Det. Rhoden: Okay.

C. Betzler: Like didn't even leave our room to get ice. Like we were on lockdown.

Det. Rhoden: Um, so you go to the airport. You get on the plane. You come back here and you went straight to the hospital.

C. Betzler: Mhm.

Det. Rhoden: Which hospital did you go to?

C. Betzler: Uh, Texas Harris, Health Harris Methodist I think.

Det. Rhoden: Which one? Did you go to the one downtown or the one on Brian Ervin or?

C. Betzler: Uh, it's like right next to Cook Children's.

Det. Rhoden: Okay. So, so close to downtown Fort Worth?

C. Betzler: Yeah.

Det. Rhoden: Okay. So that's Texas Health Resources Harris is what that's called.

C. Betzler: Okay. Okay.

Det. Rhoden: Um, and I can't, I can't think of the address.

Det. Galloway: I cannot either, Pennsylvania Street though.

Det. Rhoden: 1351 Pennsylvania.

Det. Galloway: Yeah.

Det. Rhoden: 1351 Pennsylvania is the address. As much time as we spend there, you would think we would know that. Alright. So you go to the hospital. Um, what did they have to do to treat your foot? Did they have to put any stitches in it or?

C. Betzler: Mm. He looked at it and he said it was already infected so he couldn't close it. Um, so he stuck these two horrible needles in it to numb it and then he just like started digging around-

Det. Rhoden: Shaping it out?

C. Betzler: Yeah.

Det. Rhoden: Mhm.

C. Betzler: And then after he did that they like irrigated and wrapped it and then I went in for an x-ray to see make sure there was no more metal in it.

C. Betzler: Okay.

Det. Rhoden: At this point in time. Um, the question that I have for you right now is, is, is there anything that we haven't talked about? Any information? Maybe a question that I just didn't ask right or I forgot to ask that you think might be important?

C. Betzler: I don't think so. I think-

## DETAILS:

On Oct 1<sup>st</sup> I attended the Route 91 Harvest Festival we arrived at 3pm. My boyfriend, my aunt, uncle and I. We were standing on the left side at the end of the stage that went into the crowd. At 6:40 my boyfriend and uncle went to the Nashville stage for another concert and they stayed back on the left by the budweiser truck. At 10:07, I took a video for 15 seconds. 3 minutes later I heard pop pop pop - I turned to my aunt and said it sounded like gunshots. People around us said it was confetti popping so I went back to watching. He started the next song and that's when the pops sounded like a machine gun. We immediately dropped to the ground. We heard the music stop. It seemed to last forever. When the first round stopped we decided to run. We thought the shooter was in the festival. We huddled for a few seconds with another group off to our left then ran for the malibu rum house. At this point I lost a flip flop. We ran through there and filtered into a large crowd making their way to an exit. I think now it was Exit 6. We got out and ran behind an open rear door with two men.

we hid there till this sound stopped. We ran through a parking lot (gravel) I lost my shoe and my cell phone somewhere around there. We asked for rides but no one would take us. We reached a cement fence and a wire fence. Where we were trapped. My aunt started to climb but was having trouble. A man pulled her down and told her not to climb. The shooting started again. We dove down into the dirt/gravel by the fence. She then yelled I have been hit. I could see her face bleeding down one side. When the sound stopped we found a hole in the fence and climbed through.

We then saw a door open and people going in - I believe it was Birchard ~~BB~~ offices and Route 91 office. We hid there for 5 hrs. Getting reports of multiple shooters and other hotels. We went into lock down again maybe an hour into it because of reports of a shooter at ~~Hotel~~ hotel. There were Emt and off Duty cops that were able to have contact with LVPD. We left around 4am and walked back to our hotel. We flew home the next morning.

I am horribly traumatized. Can't leave the house, hear loud sounds, be in crowds and haven't been able to return to work.

DETAILS was at Route 91 Concert, Jason Alden was a few songs into his set when what sounded like fireworks turned into lots of shots. Jason was moved off of the stage and then the crowd took off running towards the venue entrance. First heard about 10 pops, and then a 5 second pause and then a lot more (dozens). Sounded like shots were coming from Mandalay Bay. Southside of the Excalibur, around 11:15 pm we saw 5 person guys heading East bound on Reno dr, just west of Vegas Blvd. All were dressed in night club attire (all black button ups). We hid in a broom closet. The five boys were walking in a single file line, about 5 feet between each person. The 5th and final guy had what appeared to be a black assault rifle and shoulder strap across his chest.

## CONTINUATION

Event #: 171001003519

On October 1, 2017, at approximately 2204 hours, I was off duty and attending the Route-91 Harvest Festival, in the city of Las Vegas. I was at the concert with family and friends, watching Jason Aldean perform. We were to the left of the main stage approximately 75 yards away when I heard the sound of what I believed to be firecrackers. As the sound of the firecrackers continued to go off, I looked to my right and observed a group of people looking towards the floor and at an individual who I believed to have fallen. I continued to watch the performance when the sound of firecrackers continued to get faster. At that point, I observed Jason Aldean run off the stage and out of view. Once the music had stopped, I determined the sound of the firecrackers to be actual gunshots. Since I heard the gunshots coming from my right, I believed the shooter was on the west side of the venue. In order to take some course of action, I ran in a south westerly direction in an attempt to get to the west side of the venue. Once I reached the west side of the venue and hid behind cover, I contacted an on duty Las Vegas Metro police officer, Officer Tran. I advised Officer Tran who I was and advised him that I would assist in any way. While on the west side, the sounds of gun shots were louder and were not stopping. Since I did not see a shooter in the immediate location, I looked up towards the Mandalay Bay Hotel and I observed what I believed to be muzzle flashes coming from an elevated location. I advised Officer Tran of what I observed as he began to put information out on the radio. Once the shooting had stopped, I attempted to help as many people as I could. I was able to assist few individuals who were injured but most parties that I came into contact had succumbed to their injuries. I assisted with carrying bodies out of the venue and with looking for anybody who might still be inside the venue hurt. I remained at the venue until all personnel were gone.

While running in a westerly direction, I noticed people lying on the ground, with gunshot wounds. At that moment, I observed my boyfriend's little brother, [REDACTED], lying on the ground, just east of my location. I ran to him and observed a gunshot wound in his right bicep. I immediately wrapped my flannel on his wound and we began exiting the venue in an easterly direction. While exiting the venue, the gunshots continued and I began directing people to run east. [REDACTED] and I ran to E. Reno Ave. and Duke Ellington Way, where I was able to get supplies from ambulances to better wrap [REDACTED] wound and assist others around me. Hours after the incident, we were finally transported by an empty Metro Bus to Sunrise Hospital. Sunrise Hospital was quickly filled with critically injured patients. At approximately 0200 hours, we were transported by ambulance to St. Rose Saint Martin Hospital, where [REDACTED] was formally admitted. At approximately 0430 hours we were discharged.

## DETAILS:

On October 1, 2017 at approximately 10:05pm I heard what I thought was fire works. I looked around and saw nothing so I proceeded to watch the concert. Then I heard the second set of what I thought were just shots as I saw people in the crowd falling. I hit the floor where we were seated. I called my husband in Canada to tell him "there is someone shooting at us and I love you." I then called my mom in Montana and told her the same thing. I thought I heard someone yell there was a shooter in the crowd and I thought I was going to die. I could hear the shots ricocheting off where we were sitting. I heard the lady behind me yell I've been shot. When I think the second to last set of shots stopped I heard someone yelling get over here, run as fast as you can but stay close to the floor. As we were running I could see the bodies on the ground. I heard people screaming all around me. The man said he was an off duty military officer here to help us escape. As we were running in between the kiosks I heard another set of shots ring out. They were send us into the Tropicana. Then the SWAT filtered us into a ball room after a bag check and thorough pat down.

I HAVE BEEN TOLD BY MANY LAW ENFORCEMENT FRIENDS AND FAMILY THAT IT IS A GOOD IDEA TO WRITE A STATEMENT REGARDING MY OBSERVATION OF THE INCIDENT. FIRST OF ALL NO INJURIES OCCURRED TO EITHER MY WIFE OR MYSELF. THE ONLY PROPERTY LEFT AT THE SCENE WAS ONE BLUE BLAZETTI.

WHEN LOOKING AT THE STAGE, MY WIFE & I & APPROX. 15-20 FRIENDS STOOD APPROX. 40 FEET FROM THE STAGE, ON THE GRASS SECTION CLOSEST TO THE MANDALAY BAY. AT APPROX 10:00PM (2300 HOURS) WE HEARD SOUNDS SIMILAR TO GUNFIRE. AT THIS POINT I THOUGHT IT WAS FIREWORKS. IN AN EFFORT TO SEE WHO WAS CAUSING THE DISRUPTION, I LOOKED AROUND TO FIND THE RESPONSIBLE PARTY. A SECOND ROUND OF SOUNDS BEGAN & I WITNESSED ONE PERSON GET HIT. AT THIS POINT I KNEW THAT IT WASN'T FIREWORKS. I LAYED ON MY WIFE UNTIL THE SOUNDS STOPPED. AT THIS POINT WE GATHERED OUR

DETAILS:

At the time of the incident, I was with a group of 6 people including myself. We were positioned approx 40 feet from the stage and approx. 10-15 feet left of center, if facing the stage. When the shooting happened, our group became separated as one individual and myself got low to the ground, while the other 4 ran northeast. It was at this time that one of our group, Tina Frost was shot near her right eye. Tina, at the time of writing this remains in a coma, in critical condition at Sunrise Hospital.

After remaining low to the ground for approx. 30 seconds my friend, Alessandra and I began to run northeast toward the airport (toward the closest exit). We made it out of the exit and quickly observed an emergency vehicle parked nearby. We hid behind this vehicle for approx. 15 minutes until we no longer heard gunfire for a sustained amount of time. At this time, we ran back to the MGM Grand.

I was working as stage hand at the Route 91 festival, my coworker (Raul Abillas) and I (Javier Landeras) had just finished putting away instruments and speakers for singer Jake Owen, the lead that night Victor Patino instructed us to get off the stage. Most of all of us got off the stage. About 10 minutes after getting off the stage, I started hearing gunshots, one of my coworkers stated it was fireworks in which I (Javier Landeras) told her (Nadia) it was gunshots. I told my coworkers to duck down which I also ducked down to, then I heard another round of gun shots to which I stayed down till the third round of shots is when everyone in the crowd started yelling that there was people shot and dead.

I ran towards the crowd to help. I heard another round of shots at that time I was trying to protect myself and the people around me. I started helping injured people get in the buggy carts. I helped about 10-15 people.

INITIALLY, I DIDN'T THINK THAT I HAD ANY INFORMATION TO REPORT THAT MIGHT BE USEFUL, BUT NOW I REALIZE THAT I MIGHT. MY GIRLFRIEND AND I WERE ON THE RIGHT SIDE OF THE STAGE THAT NIGHT (EAST SIDE) IN FRONT OF THE BIG SCREEN. WE WERE ABOUT 30' FROM THE BARRIER BETWEEN THE STAGE & THE CROWD. AT 9:58, I TOOK A SHORT VIDEO ON MY PHONE (I.O.D) AND THEN PUT THE PHONE IN MY POCKET. SHORTLY AFTER, I HEARD A SNAPPING SOUND. I IMMEDIATELY THOUGHT IT WAS ONE OF THOSE CHINESE "SNAPPERS" THAT YOU THROW ON THE GROUND TO MAKE A NOISE. I THEN FELT SOMETHING HIT THE GROUND BEHIND ME. I TURNED TO LOOK BEHIND ME & I SAW TWO GUYS WITH THE SAME LOOK THAT I MUST HAVE HAD ON MY FACE (WHAT THE HELL WAS THAT?) MY GIRLFRIEND FELT IT TOO AND ASKED ME WHAT THAT WAS WHEN I TURNED BACK AROUND. I SHRUGGED & WENT BACK TO LISTENING TO THE MUSIC. THEN THE SHOOTING STARTED. MOST OF US STOOD LOOKING AT EACH OTHER, BECAUSE IT SOUNDED LIKE A SNAPPING NOISE. →

ON the night of the shooting I exited the east valet at Mandalay Bay to catch my UBER.  
 Shortly after get outside I heard what I thought was glass breaking and looking in the Garden to my left (I was facing east). Within 2 minutes my uber arrived. I didn't as he pulled up I heard the first gun shots. As we exited the grounds we heard the second round of shots. The time stamp on my uber receipt had a pick up at 10:04. If that is accurate I would place the glass breaking at 10:02 and the first shots at 10:03.

I was using the bathroom when I heard something pop and the music stop playing. My wife (Tina) banged in the porta potty door multiple times. When I opened the door, she stated there is a shooter, we need to go. I popped up from the toilet and started running while my pants were being pulled up and still urinating. My friend Heather grabbed my hand and I grabbed my wife's hand and ran to the exit by the porta potties. The gun shots were still going on everywhere. As we were exiting my wife got caught on the gate. She said keep going. I pulled her away from the gate and continued to run on Giles St. As we were running a guy got shot in the leg next to us. People were falling over the gates. We proceeded to run on Giles St. past Reno St. into the Tropicana hotel. From there we ran onto a service elevator. People were running from the casino floor screaming a shooter. We all thought there was a shooter inside the Tropicana. After getting off the elevator we ended up on the roof of the Tropicana. There we went as high as we could as we still heard gun shots.

## DETAILS:

My daughter and I are victims at the Harvest Route 91 Festival. We attended all 3 days. The night of 10/1/17 was the worst day of our lives. We are happy to say that we have ~~no~~ minor physical injuries, muscle ~~bruises~~ bruises, scrapes and cuts, my daughter bruises, scrapes & cuts to include shrapnel in her hip. But our mental state is ~~not~~ definitely altered by the terror of thinking we were going to die. We were fortunate to find shelter and I want to THANK BOD and LVPD for saving our lives. God Bless

I am in therapy and have missed 3 days of work.

## DETAILS:

While attending the RT 91 festival on Oct. 1, 2017 at approximately 10:00 pm I thought what was fireworks went off during the Jason Aldean set. Than another popping sound thinking the speaker had blown the stage area went dark we soon realized that those were gun shots.

Not knowing where they were coming from myself, Jennifer Evans and Sandra Clark hit the ground. We heard rapid fire with no idea of how many shooters there were, unable to determine where the shots were coming from, seeing people running to exit. Hearing people yell for medics. We stayed down covering our selfs with our chairs so that we would not get stepped on. More shots fired the person behind us had been hit. I heard them needing something to stop the bleeding and giving out vitals.. There was a lady in front of us she said she had gotten shot. We asked her to lay down come closer so we could check her. Jennifer couldn't see that she was badly injured and the shots started again. Tho shots this time sounded different and we thought they were getting closer. Putting our heads down and lying still and quite we waited until the shots stopped. The lady we had checked was no longer next to us and the person they were treating behind me was gone as well.

During the shootings we had people ask if we needed medical and if we were ok. We had checked our selfs preidically to make sure we had not been shot and had made the decision to stay put until we felt it was safe to flee. After the shots had subsided for abot 3-5 mintuas the 3 of us felt it was time to try and exit. Keeping low and together we made our way through debri, chairs through the open area. Passing people who were being attended to by the Budlight cooler, steeping over broken glass from the bar area, money all over the ground and more injured people with security telling us to exit this why and to head to the Tropicana Hotel.

We followed the crowd to the back side of the Tropicana were a hotel person was showing us were to enter. Wounded people, people who had been seprated from friends and family lined the hallways. Panick struck again when the fire alarm went off and we were getting information that the hotel was on lockdown because there was suspected shooters in area outside. We decided to hunker down in the bathroom. We eventually made it to the 17th floor were Sandras daughter had a room and my husband picked us up the following

We were at the last showing of the country concert across the street from Luxor and immediately ducked down and started running towards Excalibur. We waited around the casino for 10min. then starting running again towards Luxor, through the back side (Reno & Las Vegas Blvd). We ran through a back door and as we turned to the right, we saw about 4-5 that looked middle-eastern walking in a single file line dressed in all black & last person in the back had a shoulder strap on AR-15. We immediately ran the opposite direction where we came from and hid in a closet til a police officer found us. about 11:30 (20's-30's yr old men)

## DETAILS:

On Sunday, October 1, 2017 at approximately 2305 I was at the Route 91 Harvest Festival with my fiance Michael John Vestuto, my Uncle Daniel Mitchell, aunt Melinda Ortiz and cousin Kaitlyn Chamberlain. We were located at the center state near the center bar area which was approximately 40 yards from the main stage. Withing approximately 5-10 seconds of Jason Aldean's second or third song started (When she says baby) there was a repeated continuous sound in the distance which sounded like fireworks cracking from afar. The crowd seemed hesitant but there was not any panic within the area we were all located. Jason Aldean took out his ear piece and continued to sing for about 10-15 seconds when all of the sudden he stopped and ran off the stage. The apparent "firework" sounds stopped and all the lights around the state went dark making visibility difficult for all. At this point the crowd near us were hesitant and appeared confused to what was going on. Withing approximately 30 seconds the lights came back on which faced the crowd the "firework" sound came back louder and in a heavier continued sweep. At this point the crowd was aware this was not fireworks and people were starting to take cover anywhere possible as well as run for any exits Michael Vestuto pushed me to the ground to my stomach and told me to get down and cover my head. Michael Vestuto then said when I say run, you run. He said we will wait for the Police to return fire then we run. All the while we were thinking someone was in the festival shooting not realizing the bullets were being rained down on us. I could hear the bullets hitting the ground all around us people screaming and watching people drop to the ground like flies. We could hear the spray of bullets getting closer to us. At this time

I was a constant spray of bullets for several minutes. Michael then stated it was time to run.

My uncle and aunt told us not to run and play "possum" Michael Vestuto stated this was not the movies and we are not going to lay here being picked off one by one. Michael Vestuto grabbed my arm and said when I say run you run and don't let go. We thought my family would follow, when we didn't hear the bullets that close to us Michael said "run now " At this point I was hysterical and was merely a rag doll being drug behind. I do not recall where we ran to for an exit as I was looking all around people running for their lives, at one point I saw a gentlemen shot on the abdomen hunched over trying to run. Michael and I ran to a fence we noticed a gentleman struggling to push over a freezer to hop over the fence. Michael pushed the freezer over and threw me over and I landed on my back landing on another patron. Michael Vestuto halpped a few othar women over the fence while, and then he emerged over the fence. At this point my asthma was full blown and I could barely breathe and did not know where we were, we saw Hooters and tried to run in, however people were running out of the building at the same time so we did not feel safe in there either. I then saw Michael run into the road until a white pickup truck stopped. Michael informed them of what had transpired and they offered to take us to safety. About 15 other patrons hopped in the bed of the truck and we all drove off. The driver took us to a Del Taco located at Tropicana and Maryland, I went into the bathroom and there were other patrons there too crying and praying. We held hand and prayed. Michael Vestuto was finally able to reach my family and confirm they were all safe. My asthma was so bad I recall passing out not being able to breathe. I do not know how long I passed out for, but when I woke I was informed my uncle John was on his way to get us all. My unice John Ortiz lives in Summerlin and heard about it on Twitter before any news station on TV was picking it up. We all finally arrived back him about 1:30am.

## DETAILS:

My husband and 2 friend an I were staying on the 32nd floor of the Mandalay Bay 9/29-10/1. Our room number was 32-335. I did see a suspicious man on Saturday night and reported that to the FBI. The man was not Stephen Paddock. We were on stage front, right side (closest to Mandalay Bay) where the shooting started. We initially heard about 6 gunshots but dismissed them as fire works. Less than a minute later, rapid fire erupted and people all around us were getting shot and falling to the ground. We couldn't tell where it was coming from as it felt and sounded like it was coming from all directions. We dropped to the ground. We decided we needed to run but didn't know where we should go. We headed left toward center stage. Shots kept firing. We dropped down everytime. People were falling on top of us. We kept running, tripping over bodies and made it to the bar behind the sound booth. We flipped tables to try to protect ourselves from the bullets and shrapnel. A bullet grazed my left leg. My friend was hit in his legs and feet with shrapnel. We stood up to run again and a woman in a black shirt right behind me was shot and fell into me - both of us falling to the grounds. Someone rolled her off me and we ran to the dumpsters left of the stage and near the back. When the gunfire finally stopped, we ran to an airport hangar and were eventually transported to a cell phone lot.

I was apart of the R. Kelly concert on October 1, 2017 shooting. I am a victim due to what I endured, saw & how I was injured during this terrifying. After helping my mother over the barricade, fencing as I began to follow I was struck by ricochet bullet fragments. I witnessed death, traumatic injuries and surrounding frantic people running for their lives. I am now in therapy & the fragments a slowly making their way out. I would just like to thank LVPD for help saving many lives including my mothers & mine.

DETAILS:

On Oct 1st I was at the route 91 harvest festival. I was sitting in the lawn chair section and Jason Alden started playing. I heard popping noises coming from the Mandalay Bay. I kept staring at the top of the hotel wondering why they would be trying to do fireworks. To the side flashes of light coming from the hotel about half way down. Then the popping got louder. I heard people screaming. Jason Alden ran off stage and the lights turned off. I layed on top of my 12 year old daughter. The gun fire sounded so close it sounded like we were surrounded. There was a second of silence so we took off running. My daughter and I ended up at Xterious Escape. There was a man who was shot. I called 911 but the lines were so busy. The people working at Xterious Escape locked the doors. We stayed in there for hours with about 15 other people. Some people who were at the concert and some who were doing the escape room. Around 1am the police gave us the okay to walk to the MGM. We stayed with a stranger named Alex on the 7th floor of the MGM until I found my parents and sister.

My friend (Heather Weston) and Airfriend (Ashley Martin) had walked over to the porter potties when the first shot were fired. I began banging on Ashley's door to get out someone is shooting. The sound of a few shots quickly became like a machine gun as Ashley ran out of the bathroom. Heather was holding Ashley's hand and Ashley was holding mine. We ran to the nearest exit but only they made it out before I got caught by the hundreds of people running out of the same gate. I was getting squashed against the gate by many people trying to get out. Ash still had a hold of my hand and her and Heather pulled on it until they got me out. We then continued to run towards the back of Tropicana Hotel. As we ran a guy running next to us got shot on his leg. People were dropping from the gates to our left and some were getting trampled when they fell on the floor. We continued to run past a church and then into an open door at the Tropicana. We pushed our way into an elevator / service elevator I believe and began climbing the ladders on the side of the building for the roof. I think we went up

3 or 4 sets of stairs before we began crawling underneath some AC vents to hide. We hid there for about 20-30 minutes before we saw another group of people also hiding walk by. We got together with them and decided to walk down into the kitchen and find a better hiding place. We then hid in a food storage hallway using a large metal freezer to block us in. We remained there until a Security Guard came looking for people to bring us to a big room where SWAT was. They had cleared our building and brought everyone to the pavilion with about 2000 people and provided us with water and towels. My left arm was bleeding from cuts and I had a huge bump on my arm from being pinned on the gate.

DETAILS:

On Sunday, October 1, 2017 at approximately 10:05 PM I was at the Route 91 Harvest Festival with my Fiance Courtney Anne Ortiz, her Uncle Daniel Mitchell, Aunt Melinda Ortiz, and Cousin Kate Chamberlain. We were located center stage near the center bar area which was approximately 40 yards from the main stage. Within approximately 15-30 seconds of Jason Aldean's second or third song played there was a repeated continued sound in the distance which sounded like fireworks cracking from a far. The crowd seemed hesitant but there was not any panic within the area I was located. Jason Aldean continued to play his song for about 30 seconds when all of a sudden he left the stage to the far right as I was facing the stage. The apparent firework sounds stopped and the all the lights at and around the stage went dark making visibility difficult. There were no "firework" sounds at this time when the lights were out. At this point the crowd near me were hesitant and appeared confused to why the performance ceased and the lights went out. Within 30 seconds of the lights going out there large bright lights above the stage which came on and faced the crowd. It was my opinion these came on as a sign the show was over and for people to find the exits. Within 15-30 seconds of the bright lights coming on the "firework" sound came back louder and in a heavier continued fashion. At this point the crowd was aware this was not fireworks and many people took cover to the ground while others ran to the exit areas all around the venue. At this point I was in a kneeling position while everyone around me was down on their stomachs on the ground. I was surveying the crowd and trying to assess where the sound was coming from so I can determine how to proceed. I told the people around me to listen for single shot gunfire as that will more than likely be Police officers engaging with whomever was shooting. There was no return single shot gunfire and the bullets were getting closer to my location. It sounded as if someone was inside the venue and was on the other side of the bar area we were at and shooting.

Event #: 171001003519

The gunfire was getting closer to us at the center bar area as I could hear bottles breaking and sounds of metal pinging debris from the bar. It was in my opinion a person was inside the venue with a gun and walking from the West side of the venue to the right end getting closer to the center area I was located. At no time did I feel the gunfire was coming from any other area besides inside the venue. As the bullets were getting closer and continuing non-stop which seemed to be like 2-3 minutes at this point I told my Fiance and her family we have to get out of here. The people surrounding my area said we need to stay put and play dead. I told my Fiance and her family this is not the movies and we can not lay here in the hopes someone is not going to come by and shoot us one by one. At his time I grabbed my Fiance arm and said when I say run you follow me and dont let go. I thought her family would also follow us. When I no longer felt the bullets were coming directly at us I said lets go and ran for the East side fence behind the food vendors area. My Fiance Courtney Ortiz fell a couple times and I had to stop to pick her up and make sure she could keep running. It was at this time while picking up Courtney that I noticed her family was not behind us. I had to keep running and get Courtney out of this situation. She was having difficulties breathing and was in a panic. I ran pulling her arm with me toward the East Fence line. I noticed a guy struggling to push a Refrigerator/Freezer against the East fence in order to use as a step stool to get over the fence. I told the gentleman to let me get it and I was able to flip it over and slide it against the fence line. At that point the gentleman jumped on top and went over the fence. I helped my Fiance onto the Freezer and tossed her over the fence so she would not get caught in the top exposed pieces. She landed on a gentleman with her back who broke her fall and kept her from having a more serious fall had she hit the pavement directly with her back first. I helped a few other women over the fence by lifting them up by their waste to get over. I then pulled myself over the fence and noticed I was in a side road unfamiliar to me but was near large parking lots. Courtney Ortiz and I ran through the parking lots and on the West Side of the Hooters Hotel and Casino. I told Courtney lets go inside Hooters as we will be safer indoors. When we headed in the front entrance of Hooters I noticed a large amount of people vacating the entry of Hooters as if they were evacuating the building. At the time I ran with my Fiance to Tropicana in front of Hooters with the intent of stopping a cab for a ride. I stood in the road until a White pickup truck stopped in front of me to avoid hitting me. I went to the Driver side window and told the Driver what was going on at the Festival and asked him to bring us down the road a few miles to safety in which he said yes. There were approximately 6 people inside the truck and about 15 people who jumped into the bed of the truck also looking for help. At this point the Driver took us to Maryland and Tropicana and I said he can drop us off here as this was plenty far. Once we go to the parking lot we went inside Del Taco which was on the corner so Courtney Ortiz could use the bathroom and try to pull herself together. I was making every attempt to get ahold of Courtney eunt, uncle and cousin to see they were safe. The cell service was terrible and it took approximately 10 minutes before I ended up making contact with Daniel Mitchell to ensure they were safe. Daniel Mitchell took a ride to our location on the corner of Maryland and Tropicana the same way I did with someone else giving him a ride. Once they arrived we were picked up by Courtney Ortiz uncle John Ortiz who lives in Summerlin and heard about the shooting event on Twitter. We ended up making it back home at about 1:30 am

## DETAILS:

I was working the Route 91 Concert on both Saturday and Sunday. On Saturday evening, when I was working at the main gate a man approached me and the usher next to me. He spoke to her first and then gave me a slight hug and said "be safe tomorrow, I don't want you to get hurt." He then walked away. The usher next to me then asked me what he had said. When I told her, she said that he had something similar to her. We both commented that it was very strange thing to say at a concert. That's why I remember it.

I can't remember too much about him because it was getting dark. I remember a slight beard, him being about 5'7" or 5'8" ish. He had on darkish jeans and a dark colored shirt possibly plaid. That's about all I remember because many entered these gates on a continuous basis.

This statement is so late due to the fact that my purse, house key, and phone were locked in my car behind the venue until Tuesday afternoon.

## DETAILS

We were on the left-hand side of the stage (if facing stage) and heard what we thought were firecrackers popping. People started saying "those aren't firecrackers it's gun fire, get down. My friends & I crouched down but then the crowd started to run for the exits. Concerned that we would be trampled, we started to move towards the exits. All the time we could hear the popping of gunfire going off. At first it sounded far away, and from the Mandalay Bay location but then it sounded like the gun fire may have been coming from somewhere closer than there. ~~that~~ I was hiding behind a water truck and the gun fire sounded very close, like maybe it was less than a mile away. I just started running away from the venue & ended up in a field first and then a plane hanger. The police were

**DESCRIPCION DETALLADA** Corrieramos, cuando salimos del gate empezamos a mirar mas heridos, tirados en la acera de la calle, cuando ibamos al parking ayudamos a unas muchachas a subirlas a una Troca para llevarlas al hospital, cuando cruzamos la calle estaba un grupo de Sras. con una muchacha en una curretilla yo me acerque a decirle que por el AmPm habia ambulancias y una de ellas le quito una bandera de U.S.A. La cara y me dijo que ella ya estaba muerta fue algo muy impactante ver tantos heridos y muertos.
